

İşletim Sistemi

```
graph TD; A[İşletim Sistemi] --> B[CPU / RAM]; B --> C["Disk Denetleyicisi (Disk Controller)"]; C --> D["Disk (HDD / SSD)"];
```

The diagram is a vertical flowchart with four rounded rectangular boxes connected by downward-pointing arrows. The first three boxes are light blue, and the last one is light green. The text is in black, with the final box containing a mix of bold and regular weights.

CPU / RAM

Disk Denetleyicisi
(Disk Controller)

Disk
(HDD / SSD)
